About Rand Logistics

Rand Logistics, Inc. is a leading provider of bulk freight shipping services throughout the Great Lakes region. Through its subsidiaries, the Company operates a fleet of ten self-unloading bulk carriers, comprised of nine River Class vessels and one River Class integrated tug/barge unit, and three conventional bulk carriers, of which one is operated under a contract of affreightment. The Company is the only carrier able to offer significant domestic port-to-port services in both Canada and the U.S. on the Great Lakes. The Company’s vessels operate under the U.S. Jones Act – which dictates that only ships that are built, crewed and owned by U.S. citizens can operate between U.S. ports – and the Canada Marine Act – which requires Canadian commissioned ships to operate between Canadian ports.
